

20TH ANNUAL EDUCATIONAL CONFERENCE

3 GREAT LOCATIONS

The Summer Splash Educational Conference is now in three great locations – **Dallas/Fort Worth, Houston, and San Antonio!** This conference provides an avenue for educators, administrators, and directors to join together in discovering the latest educational information. Sessions target those who work with pre-k, kindergarten, first grade, special education, bilingual programs, ELL, Head Start, and preschool. In this enthusiastic atmosphere of work and play, many schools share this enjoyable learning experience as a “team building” occasion or professional development opportunity.
